

Coloured T-Shirt Cleaning Rags

Our Coloured T-Shirt Wipes are made from cut up high-quality cotton t-shirts. Soft, absorbent, and low-lint, they're perfect for wiping, and general cleaning across a wide range of applications.

Highly Absorbent

Low Lint

Super Soft

Why We Love It

- Soft and durable: Cotton-rich for a gentle yet effective clean
- High wiper count: Lightweight fabric = more wipes per kilo = better value
- Low linting: Ideal for surfaces that require a clean
- Versatile use: Perfect for garages, workshops, manufacturing, and industrial cleaning

These cloths are a smart, sustainable solution for professionals who need high-performance wiping cloths without compromising on quality or cost.
