PRODUCT NAME

ATS CARGO SHORT

KEY FEATURES

- Active Waist Design
- Cargo Short
- Cordura Utility Pockets
- Lightweight

ITEM DESCRIPTION

The Apache ATS Cargo Short is built for keeping cool while getting the job done. Made from a lightweight, hard-wearing technical fabric, it's designed for comfort and movement on site. An active waist gives you a better fit through the day, while Cordura-reinforced utility pockets add extra durability where you need it most. With a multi-pocket setup and wide tool belt loops, you've got everything close to hand. Easy to wear, tough where it counts – a solid choice for warm weather work.
