KEY FEATURES

- Waterproof & Breathable
- 100% Non-Metallic
- Outsole Certified to 300°C
- PU Comfort Insole

ITEM DESCRIPTION

The Apache Arizona is a tough, 100% non-metallic safety boot built for harsh working environments. Featuring a honey nubuck leather and mesh upper with a waterproof and breathable lining, it keeps feet dry and comfortable all day. A non-metallic composite toe cap and midsole provide reliable protection without triggering metal detectors, while the anti-scutt toe guard adds durability. The heat-resistant PU/rubber outsole withstands up to 300°C, and a PU comfort insole ensures lasting support for long shifts.
