PRODUCT NAME

BARNWELL

KEY FEATURES

- Stone Nubuck Upper Leather
- Steel Toe Cap & Midsole Protection
- Comfort PU Footbed
- Medium Fit

ITEM DESCRIPTION

Introducing the Apache Barnwell safety boot - a traditional must-have for any tradesperson. This boot features a stone nubuck leather upper, a steel toe cap and steel midsole protection to keep your feet safe on the job. The embedded heel kick at the rear makes it easy to take off your boots after a long day, whilst also adding to their durability. With a padded tongue and collar, these boots provide extra comfort. The dual density polyurethane outsole is tested for resistance to fuel oil, ensuring long-lasting performance. Plus, the comfort PU footbed guarantees comfort with every step you take throughout your work day.
