

APACHE
INDUSTRIAL WORKWEAR

PRODUCT NAME

VAULT

KEY FEATURES

- Aluminum Toe Cap Protection Only
- Vegan-Friendly
- Flexible Phylon/Rubber Outsole
- Lightweight

ITEM DESCRIPTION

The Apache Vault trainer combines modern style with reliable protection, making it ideal for light industrial environments. Designed with a fine-moulded polyurethane upper, padded tongue, and collar for all-day comfort, it features an aluminium toe cap for safety without the weight. Its phylon and rubber outsole ensures flexibility and grip, while each pair is sustainably produced using the equivalent of four recycled plastic bottles. Completely free from animal products, the Vault is a lightweight, vegan-friendly choice that looks and feels like a sports trainer.
