

PRODUCT NAME

AP715SM

KEY FEATURES

- Water Resistant
- Steel Toe Cap & Midsole
- PU/TPU Durable Outsole
- TPU Heel Clip & Scuff Cap

ITEM DESCRIPTION

The Apache AP715SM is a tough, water-resistant dealer safety boot built for demanding working environments. Featuring elasticated side panels for easy entry, it offers convenience without compromising on protection. A steel toe cap and steel midsole safeguard against impact and penetration hazards, while the dual-density PU/TPU outsole and TPU heel clip deliver extra grip, stability, and long-lasting durability. Finished with an anti-scutt toe guard, comfort insole, and anti-static properties, the AP715SM is a versatile choice for industries such as engineering, construction, and general trade.
