PRODUCT NAME

FLYWEIGHT DEALER

KEY FEATURES

- Water-Resistant
- Aluminium Toe Cap & Composite Midsole
- Lightweight Phylite/Rubber Outsole
- Elasticated Sides

ITEM DESCRIPTION

The Apache Flyweight Dealer is a lightweight, water-resistant safety boot designed for comfort and convenience. With elasticated side panels for easy entry, it combines traditional dealer boot styling with modern protection. Aluminum toe cap and a composite midsole deliver reliable safety without the weight, while the phylite/rubber outsole technology provides flexibility, grip, and long-lasting comfort. Anti-static and versatile, the Flyweight Dealer is ideal for a wide range of working environments.
