ITEM DESCRIPTION

The Apache AP314CM is a modern, lightweight safety hiker designed for all trades. Crafted from full grain wheat nubuck leather with a water-resistant upper, it combines durability with a smart, modern look. Comfort comes as standard thanks to the padded tongue and collar, while the steel toe cap and composite midsole provide all-round protection. Finished with a phylon/rubber outsole for flexibility and grip, the AP314CM is a practical, popular choice for professionals.
