ITEM DESCRIPTION

The Apache Ranger Brown is a durable, waterproof safety hiker designed for a wide range of outdoor applications. Crafted from brown full grain leather with a waterproof and breathable lining, it keeps feet dry and comfortable throughout the day. A padded collar and tongue enhance comfort, while the steel toe cap and steel midsole provide reliable protection. Additional features, including a TPU heel support, kick plate and dual-density polyurethane outsole with anti-scuff toe guard, ensure stability, and durability in demanding environments.
