PRODUCT NAME

AP305

KEY FEATURES

- Waterproof & Breathable
- Steel Toe Cap & Midsole
- Dual Density Durable Outsole
- TPU Heel Clip & Scuff Cap

ITEM DESCRIPTION

The Apache AP305 is a rugged, waterproof rigger safety boot designed for a wide range of outdoor applications. Crafted from durable brown leather with a waterproof and breathable lining, it keeps feet dry and comfortable in challenging conditions. A padded ankle area and TPU heel guard provide added stability, while the steel toe cap and steel midsole offer reliable protection. Finished with a dual-density polyurethane outsole and anti-scuff toe guard, the AP305 combines comfort, safety, and durability in a versatile design.
